EDUCATION

Southern New Hampshire University

Bachelor's in Graphic Design

March, 2026

EXPERIENCE

JBA Wealth Management Group

Fort Collins, CO

August 2025

Designed a flyer and social media for a company wide shred-a-thon for employees and clients.

Wellington Middle High School

Wellington, CO

August 2022-May 2024

Created social media and print advertisements for students and their families struggling with housing insecurity to provide them with resources throughout the school year.

SUMMARY

I've always loved designing eye-catching documents, whether it's a bake sale flyer for my kids' school, a design package for a fundraiser I volunteered to organize, or social media and print designs for a small business. Bringing creative and standout designs to life for personal and professional projects truly feels like a calling I cherish.
